Be A “Good Neighbor”
Join Your Neighborhood Association

The Cherry Creek East Association is a Registered Neighborhood Organization recognized by the City and County of Denver. Our mission is to protect the neighborhood and help make it the best place to live and work in Denver.

Businesses are a key part of our community; great businesses make the neighborhood great. Why not join us as a Business Member and make this the best neighborhood in Denver?

Membership is just $100 a year, which helps CCEA in its efforts to:

- Work with developers to ensure projects are responsibly built and in the best interests of Cherry Creek East;
- Work with the City to make sure Cherry Creek gets the benefit of our tax dollars;
- Put on programs and educational events to benefit members and our neighborhood; and
- Promote social activities and events for the neighborhood.

Good Neighbors: Membership also provides unique sponsorship opportunities for your business. Business members are especially recognized as “Good Neighbors” by the Association, with a special sticker and graphic you can use on site and in your marketing.

In addition, we will display business member logos and links on both our website and quarterly newsletters and prominently display them at member events.

What better way to meet your neighbors and let them know about your business?
